# A Message From The President

Kenneth Cable  
President

Manhattan Christian College is a special place because we are a special people committed to the Lordship of Christ, to the teaching of God's Word and to the building up of one another in love.

We are here to produce Christian leaders who have first become followers. Our purpose is identical to that of Christ on calvary: to die to self that He might live in us. Our success is to be as everlasting as the resurrection of Christ, giving to the world its only hope. Our mission is as far reaching as the last unreached person on planet earth.

My prayer for you is that you will catch the vision and become a world Christian, committed to serving Christ wherever you are and committed to the proposition that every person in the world has the right to hear the Gospel of Christ presented in culturally relevant terms.

May the Lord richly bless you while you are with us and may you become one of whom Christ will say, "Well done, good and faithful servant."

Yours in Christ,
